# Motto

**... To provide a quality education for all students with opportunities to develop to their fullest potential in social behaviour, emotional stability, physical well-being and intellectual growth enhanced with parental and community involvement.**

# Vision

**Illuminate, Elevate, Inspire**

# THE VISIONARY LUMINARY: HONOURABLE MR. RAFIQ MOHAMMAD JAFFAR"

W

We pay homage to our venerable founder, the erudite and esteemed Mr. Rafiq Mohammad Jaffar, a trailblazing educational reformer. Born in India and subsequently influenced by the exemplary educational paradigm of Mecca, Saudi Arabia, he was galvanized to replicate this excellence in India. With unwavering dedication, unrelenting passion, and sagacious leadership, he laid the foundation of Falaq Public School, a paragon of pedagogical excellence.

Today, we honour his enduring legacy and celebrate his seminal contributions to shaping the minds of future generations. We remain indebted to his visionary leadership and continue to uphold the values of academic distinction, innovation, and character development that he so diligently inculcated in us.

# A Sanctuary of Learning: Unveiling the Wonders of Our School.

Our school is a beacon of knowledge, where young minds converge to explore, discover, and grow. Nestled within its walls are state-of-the-art facilities, meticulously designed to foster an environment that is conducive to learning, creativity, and spiritual growth.

As we step into the classrooms, we are enveloped in a sense of serenity, courtesy of the abundant natural light and fresh air that permeates the space.

The ergonomic seating and ample legroom ensure that students are comfortable and focused, allowing them to absorb the wisdom imparted by their teachers.

The washrooms, a testament to our school's commitment to hygiene and cleanliness, are immaculately maintained, providing a sanitized and refreshing space for students to recharge.

Science enthusiasts will revel in the soon-to-be-launched science lab, where they can conduct experiments, test hypotheses, and unravel the mysteries of the natural world.

Meanwhile, the computer lab stands ready to empower students with the digital skills necessary to navigate the complexities of the modern world. The lab is fully functional, providing students with access to

state-of-the-art computers and software, High-speed internet connectivity and Interactive digital tools and resources.

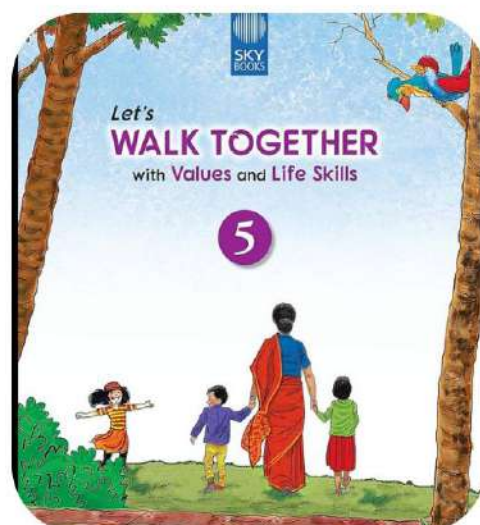

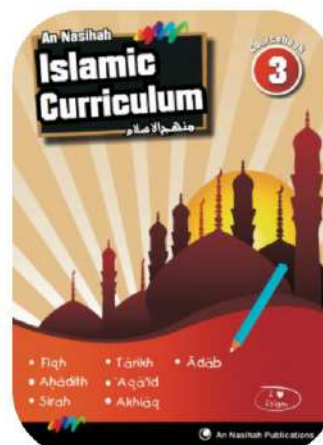

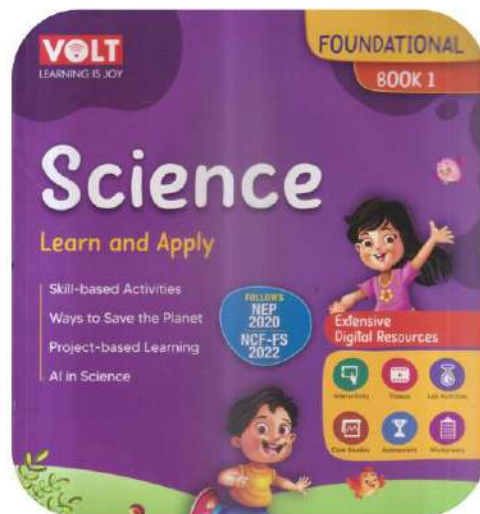

For those seeking spiritual solace, our school masjid offers a tranquil oasis, its spacious and immaculate environs providing the perfect setting for contemplation and introspection.

Last but not least, the smart room is a cutting-edge haven where digital learning comes alive, allowing students to grasp complex concepts with ease and clarity. In conclusion, our school is a harmonious blend of aesthetics, functionality, and innovation, creating a sanctuary of learning that nurtures the mind, body, and spirit.

# NURTURING FUTURE LEADERS: OUR CURRICULUM

Our school's academic curriculum is meticulously designed to foster a comprehensive learning experience. We follow the CBSE curriculum, and our textbooks are published by VOLT, which aligns perfectly with the CBSE syllabus. This enables our students to learn advanced concepts and stay ahead of the curve. Additionally, we offer two distinct subjects: Quran and Islamic Studies. In Quran class, our focus is on recitation and "Hifz" (memorization), teaching students the art of reciting the Holy Quran with precision and passion. Meanwhile, Islamic Studies, taught from LKG onwards using books from Nasihah Publication, provides students with a deep understanding of Islamic values, history, and knowledge, preparing them for success in both this world and the hereafter. Furthermore, we offer Moral Value classes for our non-Muslim students, ensuring that every student has the opportunity to inculcate universal moral values and ethics, promoting a harmonious and inclusive learning environment. Our school's primary focus is to train our students to excel academically and spiritually, equipping them to lead a purposeful life."

# "Exploring Beyond Academics: Unleashing Creativity and Potential at Our School"

At our institution, we believe that education transcends the boundaries of the classroom. That's why we offer a diverse array of extracurricular activities designed to cater to the varied interests and inclinations of our students.

## Unleashing Artistic Expression through Art & Craft

Our Art & Craft program is a testament to this commitment, where students are introduced to a wide range of artistic mediums, including glass painting, resin art, and more. We approach this class with seriousness and enthusiasm, encouraging students to explore their creative potential and discover new talents.

## Cultivating Confidence through Public Speaking

In addition to art, we also focus on developing our students' oratory skills. Our Pep Talk program for grades and Show & Tell for kindergarten students provides a platform for them to express themselves confidently and effectively, honing their fluency in English, Tamil, and Hindi.

## Phonics Class: Laying the Foundation for Literacy

We also recognize the importance of reading skills, which is why we offer phonics classes for all grades from KG to 5. Our trained teachers guide students in learning to read with precision, setting them up for success in their academic journey.

## Life Skills: Preparing Students for Success

But we don't stop there. Our Life Skills classes teach students essential skills such as classroom etiquette, self-grooming, and even the art of folding clothes! We believe in preparing our students for success in all aspects of life.

## Exciting Developments: Silambam Classes & Playground

And there's more on the horizon! We're excited to introduce Silambam classes soon, where students can learn the historic art of our state. Plus, our brand-new playground will be fully functional soon, providing students with a comprehensive space to engage in various sports and games.

At our school, we're dedicated to providing a well-rounded education that goes beyond academics. Join us in our mission to unleash the full potential of our students!"

## PHONETIC FRENZY: TEACHERS TUNE IN TO TUNE UP THEIR SKILLS"

In a groundbreaking initiative, our school embarked on a phonetic training program for teachers, revolutionizing the way we approach language education. Led by the renowned expert Ms. Vinothini from ELF English, a renowned expert in reading and phonetics. This intensive session unveiled the secrets of phonetics, empowering our teachers to unlock their students' full potential. The event was a testament to our school's commitment to excellence in education and our teachers' dedication to continuous learning.

The training covered a range of topics, from the fundamentals of phonetics to practical strategies for teaching spoken English. Ms. Vinothini's expertise and passion for the subject were evident throughout the session, as she shared valuable insights and techniques that teachers can apply in their classrooms.

The impact of the training was palpable, with teachers leaving the session feeling empowered and equipped to make a meaningful difference in their students' language skills. Our school is now poised to take spoken English education to the next level, thanks to the collective efforts of our teachers and the expert guidance of Ms. Vinothini.

The training session was a masterclass in phonetics and spoken English, with teachers from diverse subjects coming together to learn and grow. The interactive and engaging program saw participants actively engaging in discussions, activities, and exercises designed to enhance their understanding of phonetics.

This training session was a shining example of our school's commitment to providing the best possible education for our students. We look forward to seeing the positive impact on our children's phonetic skills and spoken English abilities in the days to come.

# GREEN DAY DELIGHT

## A Fun-Filled Learning Experience" \_

Our kindergarten students recently enjoyed a vibrant and educational 'Green Day' celebration! Dressed in their best green outfits, they showcased their creativity and enthusiasm. The festive atmosphere was further enhanced by the delicious green-colored food and snacks they brought from home to share with friends.

Through interactive games, stories, and activities, they discovered the significance of green in our lives. They learned about the crucial role plants play in keeping our air clean, the importance of recycling, and the impact of human actions on the environment.

### Highlights of the Green day

The Green Day celebration not only delighted our kindergarten students but also instilled valuable lessons that will stay with them long after the event. By participating in interactive games, stories, and activities, they developed essential skills like teamwork, critical thinking, and creativity while fostering a sense of responsibility towards the environment. As they took home their newfound knowledge, they also adopted simple yet impactful habits like reducing, reusing, and recycling, setting the foundation for a lifetime of eco-friendly practices. Moreover, the event encouraged empathy, compassion, and appreciation for the natural world, shaping our young learners into mindful and environmentally conscious global citizens."

This fun-filled experience combined learning with play, inspiring our young minds to become more environmentally aware and responsible citizens. The students left with big smiles, new knowledge, and a renewed appreciation for the color green!"

# Little Sprouts, Big Impact

"The Green Day celebration was a testament to the power of interactive learning. By incorporating hands-on activities and real-life examples, our students developed a deeper understanding of environmental concepts and their practical applications. This experiential approach not only made learning fun but also fostered a sense of curiosity and wonder among our young explorers."

"Instilling environmental values in our students empowers them to contribute to a sustainable future. Our Green Day success has inspired more eco-friendly initiatives, shaping responsible global citizens."

# Unveiling the Repositories of Knowledge at "District Central Library"

On a recent educational field trip, our school visited the District Central Library, an experience that proved to be both informative and eye-opening for our students. The trip aimed to familiarize students with the inner workings of a library and expose them to the vast resources available.

Upon arrival, we were greeted by the librarian, who guided us through the various sections of the library. The students were fascinated by the sheer number of books and the systematic organization of the shelves.

They learned about the Dewey Decimal System, which helps categorize books by subject, making it easier for readers to find what they're looking for.

One of the highlights of the trip was the discovery of specialized sections, including the Children's Section, filled with colorful books and engaging stories.

The students were also introduced to the Visually Impaired Section, which provides resources and assistive technology for readers with visual impairments. This exposure broadened their understanding of the importance of inclusivity and accessibility.

## Pupil's Perspective ———

"I had an amazing time on the field trip! It was incredibly informative and I learned so many new things. What really stood out to me was seeing how visually impaired people can access information - I had no idea they had their own specialized books and resources available in the library. It was eye-opening to see the different ways they can learn, from braille books to audio materials.

*I was also impressed by the technology they use to read and write. And I was delighted to discover that the library has a special section dedicated to children, with books and resources tailored just for them. It was so heartwarming to see how the library caters to all ages and abilities. It was really inspiring to see how they can learn and grow just like anyone else. Plus, it was just plain fun to discover new things and explore the library in a way I never had before."*

**Nabeeha Fathima**  
**Grade -5**

The trip to the District Central Library was an enriching experience for our students. They gained hands-on knowledge about the library's mechanisms, explored various sections, and developed an appreciation for the wealth of

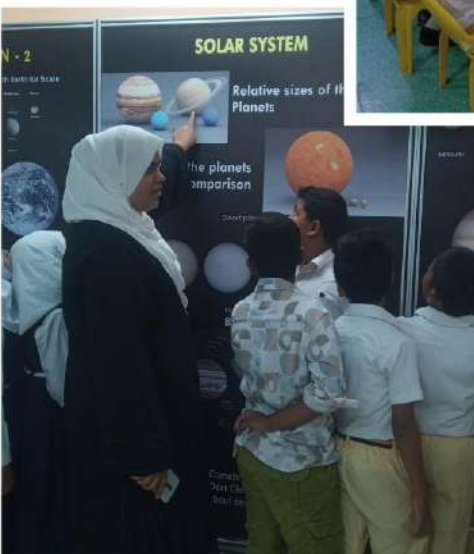

Our educational field trip to the District Central Library was a resounding success. We are grateful to the librarians for their hospitality and expertise. We look forward to planning more such trips in the future, fostering a love for learning and exploration among our students.

# Exploring the Epicenter of Knowledge: A Journey to Remember"

FALAQ  
INSITE

Our school's excursion to the District Central Library was a resounding triumph, instilling an ardor for reading and learning among our students. With its vast repository of resources, inclusive sections, and erudite librarians, the library has left an indelible mark on our young minds.

# GASS FOREST MUSEUM

## "Discovering the Wonders of the Past"

Our field trip to the Gass Forest Museum was an unforgettable adventure! We uncovered the secrets of the natural world, marveling at the stunning array of animal and bird specimens on display. Each exhibit revealed the intricate web of life that binds our planet together.

A journey through time awaited us in the historical collection, showcasing the ingenuity and craftsmanship of bygone eras. A mesmerizing video left us spellbound, revealing the breathtaking beauty of nature.

This odyssey ignited our curiosity, sparked our imagination, and inspired us to cherish our natural and cultural heritage. Memories of this trip will linger forever, reminding us of the wonders that surround us.

As we departed the museum, we carried with us a profound sense of wonder, eager to continue exploring, inspiring us to seek out the world's secrets.

# CULTIVATING SPIRITUAL ACUMEN: THE MASJID ETIQUETTE INITIATIVE

**"THE MASJID IS MORE THAN A PLACE OF WORSHIP; IT'S A HUB OF COMMUNAL CONNECTION, EDUCATIONAL ENRICHMENT, AND SPIRITUAL EDIFICATION."**

Our institution recently embarked on an endeavor to enlighten students on the nuances and protocols of masjid etiquette. This comprehensive program aimed to instill a profound understanding of the rules and regulations governing comportment within a mosque setting.

Through a series of edifying sessions, students acquired knowledge on the proper decorum, deportment, and demeanor expected within the masjid premises. The program also underscored the multifaceted role of the masjid as a hub for communal activities, educational pursuits, and spiritual edification.

A notable aspect of the program was the daily congregational prayer, which provided students with the opportunity to engage in collective worship and supplication. This experience served to foster a sense of unity and spiritual connection among participants, cultivating a deeper sense of reverence and devotion.

By participating in this program, students gained valuable insights into the importance of maintaining the sanctity and dignity of the masjid. We commend our institution for organizing this enriching experience, which will undoubtedly have a lasting impact on the students' spiritual awareness and development.

# "MONSOON MAGIC: A CELEBRATION OF JOY AND LEARNING"

we were overjoyed to witness our students' unbridled enthusiasm as the monsoon rains brought a surprise splash of excitement to our campus! With safety in mind, we gathered in the courtyard, laughing and playing in the rain. It was a moment of pure joy, a chance to let loose and make memories. we were thrilled to see our students embrace the unexpected opportunity with open arms.

At our school, we believe that learning extends beyond the classroom. Today was a perfect example of that. Amidst the fun, our students continued to demonstrate their enthusiasm for learning, showcasing the resilience and adaptability that defines our school community.

Our school campus, typically a hub of structured learning, was transformed into a vibrant playground, with students laughing and playing together in the rain-soaked courtyard."

We're proud to provide a safe and supportive environment where our students can grow, learn, and thrive in every way. Today's monsoon madness was a wonderful reminder of the magic that happens when learning and laughter come together.

# CELEBRATING INDEPENDENCE DAY WITH CREATIVITY AND ENTHUSIASM

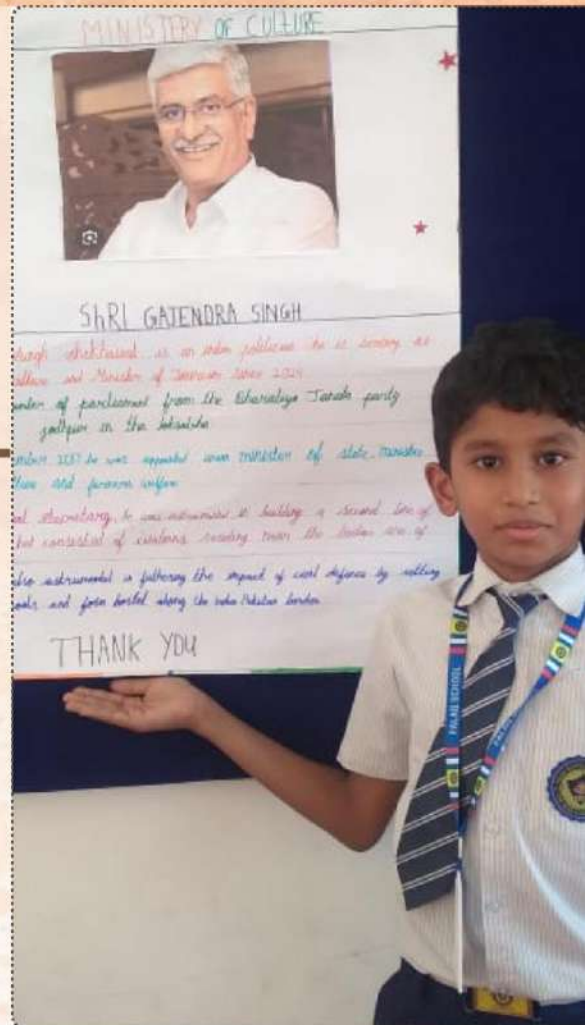

Our school recently hosted an Independence Day competition, and it was a resounding success! The event was a vibrant celebration of our nation's freedom, and our students' creativity and enthusiasm shone brightly throughout.

The competition comprised various categories, including drawing, painting, coloring, and speech. Our talented students eagerly participated, showcasing their artistic skills and oratory prowess.

The drawing and painting categories saw an array of vibrant creations, with students depicting patriotic themes and symbols. The coloring section was equally impressive, with intricate designs and patterns showcasing our students' attention to detail.

The speech category was a highlight, with students delivering passionate and informative talks on the significance of Independence Day. Their confidence and public speaking skills left the audience impressed.

Throughout the event, our students' excitement and eagerness to participate were palpable. The competition was a wonderful way to encourage creativity, self-expression, and patriotism among our young learners.

# GRATITUDE

"A TRIBUTE OF GRATITUDE:  
ACKNOWLEDGING THE  
PILLARS OF OUR SCHOLASTIC  
JOURNEY"

"A heartfelt thanks to you we say,  
For trusting us to shape your child's way.  
Your support means the world to us,  
Helping us foster their growth and progress.  
With every step, with every fall,  
You're the reason we stand tall."

FALAQ PUBLIC SCHOOL

As we bring this edition of our school magazine to a close, we would like to express our profound appreciation to the esteemed parents who have been our steadfast companions since the inception of our academic endeavor. Your unwavering trust and support have been the bedrock of our institution, and we are eternally grateful for the privilege of shaping the minds and futures of your children.

We recognize that entrusting your child's educational development to a nascent school requires a leap of faith, and we are deeply humbled by your confidence in our abilities. Our commitment to providing a stimulating environment that fosters intellectual curiosity, creativity, and character development has been unwavering, and we are proud of the progress we have made thus far.

We would like to extend our sincerest gratitude to each and every one of you for your unshakeable support. Your encouragement has been the wind beneath our wings, propelling us to strive for excellence in all aspects of our educational endeavors. We are honored to have you as part of our school community and look forward to many more years of collaboration and shared success.
